

2017 National FUNdraising Bowl Guidelines

Regular Season: “The Kick Off” (February–April)

February 1 starts the three-month regular season. How the contest works:

1. Official contest dates are February 1–April 30. All fundraising activities must be submitted during these dates to qualify for the contest.
2. After your Chapter completes a fundraiser, fill out the [FUNdraising Bowl Application](#). All forms must be submitted to Vice President of Chapter Development Victoria-Leigh Ward (victorialward@gmail.com) before midnight ET on the last day of the competing month. If possible, submit a few pictures related to your fundraiser with your entry.
3. Chapters may compete in more than one month throughout the duration of the contest, but not more than once per month.
4. The vice president of Chapter development will determine the best monthly submission. Monthly winners will receive National recognition, which includes a feature on the website (before the 15th of the following month) and a certificate for that particular month. For example, if your Chapter won the contest for the month of February, your Chapter will be featured on the website on or before March 15.
5. If your Chapter wins the honor of being the National FUNdraising Chapter for the month, congratulations! You have made the playoffs of the FUNdraising Bowl.

National FUNdraising Championship (May)

After the April winner is selected, all Chapters named National FUNdraising Chapter of the Month from February–April qualify to win the FUNdraising Bowl. The National FUNdraising Champions will be determined by a random drawing from the February–April winners and will once again have a feature on the website announcing them as contest winners.

The winning team will receive the Grand Prize: **Two FREE registrations to the PRSSA 2017 National Conference in Boston, Massachusetts!**

Your participation in the FUNdraising Bowl will help your Chapter unite for a common purpose: to secure funds for PRSSA activities such as the National Conference. Plus, competing provides your Chapter the opportunity for National recognition.

If you have any further questions, contact Vice President of Chapter Development Victoria-Leigh Ward at victorialward@gmail.com or visit the [FUNdraising Bowl Web page](#).
