TO: PRSSA Chapters
FROM: PRSSA National Committee
RE: *FORUM*

Each year, a PRSSA Chapter is selected to produce *FORUM*, PRSSA’s national newspaper, and a member of that Chapter is designated Publications Editor in Chief. Your Chapter is invited to submit a proposal to produce *FORUM* during the 2018–2019 academic year.

Submit the intent-to-bid form below to PRSSA Headquarters by **Jan. 31, 2018**. The Publications Editor in Chief, and if possible, a few other members of the production team, must present a proposal to the National Committee at next year’s National Assembly, **March 8–11**.

The Publications Editor in Chief has several responsibilities in addition to creating *FORUM*, including attending three National Committee meetings during his or her term. PRSSA will pay transportation costs and cover some meals. The Chapter/*FORUM* team is responsible for other costs, including hotel fees.

Producing *FORUM* requires dedication, attention to detail and expertise in production. Read the enclosed material carefully and discuss the possibility with your Advisers and Chapter members. If you have questions, contact National President Andrew Cook (adcook22@gmail.com).

FORUM

Background Information

FORUM is published online three times per school year: fall, winter and spring. Content includes several regular, editorial columns, National Event updates and National initiatives. Most stories pertain to national Society matters and member professional development. As of 2012, PRSSA no longer prints hard copies of *FORUM*; instead, the publication is distributed electronically.

Editorial Policy: The editorial policy is to remain the same and be printed in every issue: “*FORUM* is published three times per school year for members, Advisers and Champions for PRSSA. As the Society’s primary publication, *FORUM* seeks to provide readers with information relevant to professional development and PRSSA.”

Deadlines: Since the information in *FORUM* is often time-sensitive, *FORUM* must be distributed to Chapters within a specific timeframe. Therefore, adherence to deadlines is mandatory.

Advertising: The *FORUM* team is strongly encouraged to seek advertisements for *FORUM*. PRSSA will provide rates and specifications for ads.

Other Responsibilities: In addition to finding content for the newspaper, the Publications Editor in Chief is responsible to write and solicit articles for Progressions, PRSSA’s blog (progressions.prssa.org). Material should be updated at least weekly. The Publications Editor in Chief also assists with PRSSA’s Annual Report.
